

Public Health Accreditation Board Standards and Measures Version 1.5
October 2015 Errata

Introduction

An updated version of the **Public Health Accreditation Board (PHAB) Standards and Measures Version 1.5** has been uploaded to the PHAB website. PHAB has found a few errors in required documentation descriptions and guidance for required documentation, which are detailed below. Please note that these are minor errors and do not change the current document version number.

DOCUMENT PAGE NUMBER	LOCATION	ERROR TEXT	CORRECTED TEXT
39	<u>Measure 1.2.4 L</u> Guidance for Required Documentation #1	Date could be, for example, data submitted for registries (e.g., cancer registries or immunization registries); vital records data; environmental public health data; or data in web-based infectious disease reporting systems.	Data could be, for example, data submitted for registries (e.g., cancer registries or immunization registries); vital records data; environmental public health data; or data in web-based infectious disease reporting systems.
